November 2009

Hello everybody!

We have some news of a few things happening with Moffat CAN in the run up to Christmas.

First of all, Moffat CAN is working in conjunction with the Energy Saving Scotland advice centre to offer a very exciting **Eco-Driving Simulator** night at the Town Hall on Wednesday 18th Nov 7-9pm.

Eco-driving techniques can lead to 15% reduction in fuel consumption. So, by driving more economically, you can save carbon **and** money. Come along to the event and you can put your eco driving skills to the test. The evening will begin at 7pm with an opportunity to have a go on the eco-driving simulator. At 7.30pm there will be a fun transport quiz, followed by further opportunity to try out the simulator until 9pm. All those who attend the session will also be able to enter a free Prize Draw to win £100, £50 or £20 of Halfords vouchers.

You may already have heard about the **Co-op Watch Your Waste Event** being held in the Town Hall on Tuesday 17th November at 12.30. The Co-op community chefs are renowned for excellent tips on how best to use your leftovers, demonstrating healthy, easy recipes, improving your storage techniques and helping to uncover mysteries around 'use by' and 'sell by' dates. To find out more and to book your place at the event please visit:

<http://www.co-operative.coop/membership/events/changetheworld/Watch-your-waste/> or call in to the CAN office for more information.

Moffat CAN will be holding a **Green Children's Christmas** event at Small 'n' Tall nursery in early December. The event is for Small 'n' Tall children and the date is yet to be confirmed. Look out for more details at the nursery.

Lastly, we would like to invite all Moffat CAN members to a meeting to discuss how we are getting on with our plans for the **allotments and community garden on Annanside**. Things are moving along well and we would really like to keep you informed and to hear feedback from you, our members. We hope to hold the meeting in January and we'll be in touch with a confirmed date in the New Year.

That's all for now, hope to see you at the some of our forthcoming events.

All the best from the Moffat CAN Team
